## **Falck will maintain nontransporting EMS vehicles in the Central Denmark Government Region**

Falck has been awarded the operation of nontransporting EMS vehicles – those which carry doctors to the scene of an emergency – in the entire western part of the Central Denmark Government Region on the Jutland peninsula.

Falck will operate a total of eight nontransporting EMS vehicles until November 30<sup>th</sup> 2021. The Central Denmark Region will operate the remaining four vehicles in the eastern part of the region.
