

Matt Gallagher comes to Falck from a position as VP of Operations with US Renal Care

Jan 16, 2018 11:57 UTC

New CEO of Falck USA

Matt Gallagher joined Falck as SVP and CEO of Falck USA effective from January 8, 2018. Matt Gallagher comes to Falck from a position as VP of Operations with US Renal Care. Prior to that, he was Regional VP with Apriah Health Care.

CEO of Falck Emergency, Jakob Bomholt, says:

- Matt has extensive leadership experience within US healthcare. He will work closely with the US leadership team on achieving scale advantages that can allow Falck to resume the growth path in the US market.

Matt Gallagher is happy to have joined Falck USA:

- I am honored to be joining Falck and the Falck USA team. We have a strong history of service and performance in this market, and our 4,500+ team members are committed to delivering each and every day. Together, we will build on our strengths and map our future as a best-in-class organization, and I'm ready to get started, he says.

Falck USA is a wholly-owned subsidiary of Falck A/S. Falck USA has more than 4.600 employees across seven entities.

About Falck

For more than a century, Falck has worked with local and national governments to prevent accidents, diseases and emergency situations, to rescue and assist people in emergencies quickly and competently and to rehabilitate people after illness or injury. This has made Falck an international leader in emergency response and healthcare services.

Falck operates in 30 countries and has approximately 27,000 employees.
